

### **REMARKS**

Claims 1-8 are now pending in the application. Minor amendments have been made to the specification and claims to simply the objections to the specification and rejections of the claims. The Examiner is respectfully requested to reconsider and withdraw the objections in view of the amendments and remarks contained herein.

In addition, Applicant made a minor change to Claim 1 by removing "having a source of power" after "providing a substrate". Applicant forwarded a copy of this Amendment to the Examiner on October 4, 2004. The Examiner approved the deletion of this text from Claim 1.

## CONCLUSION

It is believed that all of the stated grounds of objection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding objections. It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: 11/12/04
